

Harvest Feast

The School Farm is collaborating with the Elementary School cafeteria to offer a delicious farm feast!

The cafeteria will be serving not only turkey, dressing, rolls and cranberry sauce, but also green beans grown by the School Farm.

The School Farm program is offering fresh farm produce enthusiastically grown, harvested, prepared and served by the students.

- Kale Salad with orchard fruit
- Makah Ozette mashed potatoes
- Roasted Squash Medley
- Fresh Carrot sticks
- Pumpkin Pie with fresh whipped cream

Enjoy these treats with the turkey and dressing purchased from the cafeteria, or stop by one of the harvest tables to choose one or all of them!

Purchase of a meal is not needed to enjoy farm feast harvest offerings.
